Formal Complaint

George Blevins and Gospel Assembly vs. Bullseye

Page 2 of 2

Bullseye said Bell South took longer than 45 days to change back,  
so they charged Gospel Assembly over \$3,000 for breaking contract  
& then Bullseye agreed with Public Service Commission to  
drop the \$3,000, if we would fax them Bell South's original  
contract, we did, & then Bullseye changed their mind  
& is trying to charge Gospel Assembly over \$3,000.

Wherefore, complainant asks sanction Bullseye Telecom and

(Specifically state the relief desired.)

have them eliminate the bill to the Complainants.
